

# MARIE MARTORANA

**Product Owner - Integration Service**

@Marie Martorana

## Describe us a typical day

A typical day always starts with monitoring the various developments of our Click and Control platform, as well as the development of any anomalies.

I am also in charge of managing customer settings and the implementation of new customers. Finally, the integration department is also in charge of testing new modules on the platform.

## What is your educational background?

I have a Master's degree in Digital Marketing Electronic Commerce Data.

## Give us one word to describe you

I would say that I am a curious.

## Your greatest pride at Travel Planet

What I'm most proud of is the continuous evolution of our services.

## Three words to describe Travel Planet

- Innovative
- Inspirational
- Agile

## How is working at Travel Planet a different experience compared to your previous professional experiences?

At Travel Planet, I appreciate the agility with which we work every day to achieve our goals.
