

# MOHAMMED AKRICH

Back-end Manager

@Mohammed Akrich

## Describe us a typical day

As a Back-end Developer, I start my day with a good coffee! Then I check/organise my to-do list of the different projects and tasks I have to deal with (bug fixes, features etc...).

After this half hour of planning, I concentrate on coding, inter/intra team meetings etc.

## What is your educational background?

I have a Master's degree in internet strategy.

## Your greatest pride at Travel Planet

I am very proud of all the Travel Planet APIs.

## Three words to describe Travel Planet

- Evolutive
- Technology
- Optimization

## Give us one word to describe you

I'm determinate!

## How is working at Travel Planet a different experience compared to your previous professional experiences?

As the person in charge of back-end development, I find that Travel Planet guarantees a real technological watch: it's a real plus!
