

SYLVAIN GUICHARD

Product owner - Integration Service

@Sylvain Guichard

Describe us a typical day

As a Product Owner, I am responsible for creating and configuring the platforms for all our clients.

I am also in charge of testing and validating the functioning of the improvements and corrections made by our team of developers.

What is your educational background?

I am a graduate of the CESI engineering school: Master of Engineering with Project Management option

Your greatest pride at Travel Planet

Working in a close-knit and talented team.

Three words to describe Travel Planet

- International
- Innovative
- Dynamic

Give us one word to describe you

I'm persistent !

How is working at Travel Planet a different experience compared to your previous professional experiences?

The big difference is the inter-departmental exchange: at Travel Planet, exchanges are facilitated.
